Hi Elva

I am not able to provide you with a copy of the report because I do not have a copy of the post privacy review version that will be made public, and I am not permitted to share the previous version. I can provide you with the publicly releasable one once I receive it, but I expect by then it will have been made public.

Allan

Allan,

I understand the media is getting a copy of the report this morning, while the Board is still waiting to receive a copy to review.

Again, will you please release a copy of the full report to us. Given the NDA restrictions we are not able to review this fully as a Board.

Regards,
Elva
