INDEPENDENT AUDITORS' REPORT

To the Members of First Nations Emergency Services Society of B.C.

Report on the Financial Statements

Opinion

We have audited the financial statements of First Nations Emergency Services Society of B.C. (the "Society"), which comprise the statement of financial position as at March 31, 2020, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Society as at March 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act of British Columbia, we report that, in our opinion, the Society's financial statements have been prepared following Canadian accounting standards for not-for-profit organizations.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Canadian Accounting Standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

Independent Auditor's Report to the Members of First Nations Emergency Services Society of B.C. *(continued)*

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Vancouver, BC

FIRST NATIONS EMERGENCY SERVICES SOCIETY OF B.C.

NOTES TO FINANCIAL STATEMENTS

1) Purpose of Society

First Nations Emergency Services Society of B.C. (the "Society") is a not-for-profit organization established provincially under the Societies Act of British Columbia. The purpose of the Society is to:

- i. Provide rural First Nations communities with assistance to develop emergency preparedness and response plans;
- ii. Provide training to rural First Nations communities with regard to fire services, forest fuel management, and related emergency events; and
- iii. Advance education by providing information on fire safety, emergency preparedness and forest fuel management to rural First Nations communities.

As a registered charity, the Society is exempt from the payment of income tax under section 149(1) of the Income Tax Act.

2) Continuity of Operations (COVID-19)

Since March 2020, the spread of COVID-19 has severely impacted many local economies throughout B.C. causing business disruptions through the reduction of non-essential services provided by the Society. Late in March 2020 the Society adopted an essential services operating model with staffing and operational expense reductions implemented. While the disruption is currently expected to be temporary, and the essential services continue to be provided by the Society, there is considerable uncertainty around the duration of the disruption to the non-essential services.

The Society anticipates the ultimate provision of services and the recognition of deferred revenues to continue as the province continues to navigate this pandemic and lift social distancing, travel restriction and the provision of services as it becomes safe to do so. In the meantime the Society continues to conserve cash to meet these obligations.

To date, the Society has not applied for nor been granted any specific COVID-19 based related municipal, provincial or federal funding.

3) Significant Accounting Policies

a) Basis of Presentation

The financial statements of the Society have been prepared in accordance with Canadian Accounting Standards for Not-For-Profit Organizations ("ASNPO") in Part III of the Chartered Professional Accountant Handbook and include the following significant accounting policies:

b) Inventory

Inventory is valued at lower of cost and current replacement cost.

FIRST NATIONS EMERGENCY SERVICES SOCIETY OF B.C.

c) Tangible Capital Assets

Tangible capital assets are recorded at cost less capital grants. Amortization is calculated on a declining balance basis using the following annual rates:

Vehicles	30%	declining balance method
Computers and software	30%	declining balance method
Office furniture and equipment	20%	declining balance method
Leasehold improvements	20%	declining balance method

d) Impairment of Long-Lived Assets

Long-lived assets are tested for impairment whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. An impairment loss is recognized when the carrying amount of the asset exceeds the sum of the undiscounted cash flows resulting from its use and eventual disposition. The impairment is measured as the amount by which the carrying amount of the long-lived asset exceeds its fair value.

e) Revenue Recognition

The Society uses the deferral method of accounting for contributions and government funding under which restricted contributions related to expenses of future periods are deferred and recognized as revenue in the period in which the related expenses are incurred. All other contributions are reported as revenue of the current period.

The Society recognizes contributions of materials and services only when a fair value can be reasonably estimated and when the materials and services are used in the normal course of the Society's operations and would otherwise have been purchased.

Revenue under service agreements or contracts is recognized as the services are performed and there is a reasonable assurance of collection.

The Society has retained substantially all of the benefits and risks of its rental assets; therefore, it accounts for its sub-lease arrangement as an operating lease.

f) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates. Significant areas of estimation include allowance for doubtful accounts, provision for inventory, estimate useful lives of tangible capital assets, impairment of long-lived assets, accrued liabilities, deferred revenue and provision for severance obligation.

g) Financial Instruments

The Society has elected to disclose fair value of financial assets and liabilities only for those financial assets and liabilities for which fair value is readily obtainable.

Measurement of financial instruments

The Society initially measures its financial assets and financial liabilities at fair value, except for certain related party transactions that are measured at the carrying amount or exchange amount, as appropriate. The Society subsequently measures all of its financial assets and financial liabilities at cost or at amortized cost, except for investments in equity instruments that are quoted in an active

FIRST NATIONS EMERGENCY SERVICES SOCIETY OF B.C.

market, which are measured at fair value. Changes in fair value of these financial instruments are recognized in net income.

Financial assets measured at amortized cost on a straight-line basis included cash and accounts receivable. Financial liabilities measured at amortized cost on a straight-line basis include accounts payable and accrued liabilities.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

Transaction Costs

The Society's transaction costs related to financial instruments that will be subsequently measured at fair value are recognized in net income in the period incurred. The carrying amount of the financial instruments that will not be subsequently measured at fair value is adjusted for transaction costs directly attributable to the origination, issuance or assumption of these instruments.

h) Contributed Services

The Society's benefits greatly from the contribution of time by dedicated volunteers. The value of these services have not been reflected in these financial statements.

i) Allocation of Expenses

All operating expenditures are charged directly to the respective program that the activity benefits. General support and administrative expenses may be allocated as an administrative charge to the respective program or as a percentage of the programs total budget as compared to the Society's budget. Additional disclosures are included in Note 12.

4) Financial Instruments

Unless otherwise noted, it is the Society's opinion that it is not exposed to significant credit, liquidity, and market risks arising from its financial instruments. Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk, and other price risk.

Credit Risk

The Society maintains cash with reputable and major financial institutions to minimize the risk. The Society is exposed to financial risks that arise from the credit quality of its contributors and recognizes the amounts receivable on the basis of amounts it is virtually certain to receive based on their estimated net realizable value.

Interest Rate Risk

The Society is exposed to interest rate risk with respect to financial instruments cash. Changes in interest rates can affect the fair value of investments and the cash flows related to interest income and expense.

FIRST NATIONS EMERGENCY SERVICES SOCIETY OF B.C.

Liquidity Risk

Liquidity risk exposure is dependent on the timing and amount of the receipt of funds from grants and other sources to enable the Society to pay its liabilities as they become due. Economic dependence on funding from selected sources also contribute to this risk.

Fair Value

The Society's short-term financial instruments consist of cash, accounts receivable, and accounts payable and accrued liabilities, whose fair value approximates their carrying values.

5) Amounts Receivable

	As at March 31, 2020	As at March 31, 2019
Emergency Management B.C.	\$ 5,218	\$ 10,587
Union of B.C. Municipalities	269,149	130,782
First Nations Health Authority	11,047	29,890
Ministry of Forest, Land, Natural Resource Operation	-	121,903
Other receivables	17,529	84,523
Goods and Services Tax receivable	31,777	24,770
	\$ 334,720	\$ 402,455

6) Tangible Capital Assets

	Cost	Accumulated Amortization	Net Book Value as at March 31, 2020	Net Book Value as at March 31, 2019
Computers and software	\$ 334,548	\$ 296,034	\$ 38,514	\$ 29,401
Office furniture	164,573	153,144	11,429	14,286

Telephone	39,023	38,086	937	1,339
Vehicles	18,464	17,560	904	1,292
Shop equipment	670	606	64	81
	\$ 1,007,488	\$ 876,095	\$ 131,393	\$ 97,422

FIRST NATIONS EMERGENCY SERVICES SOCIETY OF B.C.

7) Deferred Revenues

The Society receives significant funding from Indigenous Services Canada and the British Columbia Minister of Forests, Lands, Natural Resource Operations and Rural Development for various projects during the year. The following summarizes the funding received and revenue recognized. The outstanding deferred revenue balance is carried forward to fund operations for the 2021 fiscal year or will be reduced from the 2021 funding amounts to be received.

FNESS Department	Balance Beginning of Year	Funding Agreement	Recognized Revenue	Recovery from Funder	Balance End of Year
Emergency Management	\$ 31,847	\$ 2,881,281	\$ 1,029,694	-	\$ 1,883,434
Wildfire services	36,103	2,995,730	696,106	-	2,335,727
Fire services	399,893	1,126,487	1,074,161	3,265	455,484
Forest Fuel Management	1,795	638,388	530,908	-	109,275
Vancouver Administration	36,647	483,609	474,691	-	45,565
Deferred Revenues, end of year	\$ 506,285	\$ 8,125,495	\$ 3,805,560	\$ 3,265	\$ 4,829,485

In prior year, the Society received \$2,915 from Esquimalt Nation for a presentation by FNESS for an emergency plan update.

8) Other Obligations

Other obligations represent accrued severance benefits to the Society's employees. These benefits are based on eligibility, years of service, and salary at termination of employment according to Labour Standards and contractual obligations. Benefits will be paid when they come due and the outstanding severance benefit obligation has been estimated according to contractual terms. The amount has been presented as a long-term liability at year end as it is not expected to be paid out in the coming year.

9) Lease Commitments

The Society has commitments in respect of operating leases for certain equipment. Under the terms of the lease contracts, future minimum required payments for the next four years are:

2021	4,932
2022	3,108
2023	3,108
2024	777

10) Economic Dependence

- The Society is economically dependent upon continued funding from Indigenous Services Canada, the Union of B.C. Municipalities, and the Ministry of Forests, Lands, Natural Resource Operations and Rural Development, who provided over 96% (2019 – 91%) of funding received in the current year.

FIRST NATIONS EMERGENCY SERVICES SOCIETY OF B.C.

11) Compensation

During the year, the Society paid total remuneration, inclusive of salaries and benefits, of \$286,745 to the three highest remunerated employees for services, each of whom received total remuneration of \$75,000 or greater. No remuneration was paid to any members of the Board of Directors. This disclosure is provided in accordance with the requirements of the Societies Act of British Columbia.

12) Restricted Net Assets

The externally restricted net assets relates to surplus funding received from a project that is no longer active. The Society is requesting the restriction be removed and the net assets be transferred to unrestricted net assets. This approval has not yet been obtained.

The Board of Directors have internally restricted net assets equal to the investment in tangible capital assets less deferred revenue related to capital funding.

13) Allocation of Expenses

Operating costs are directly charged to the program to which they relate or are allocated based on a percentage of budget. Administrative support and other general operating expenses are charged to each program at estimated percentage of time spent supporting the program (ranging from 10 – 15%).

	As at March 31, 2020	As at March 31, 2019
Fire Services	\$ 194,045	\$ 138,795
Emergency Management	21,765	21,828
Forest Fuel Management	63,269	70,628
	\$ 279,079	\$ 231,251

14) Comparative Figures

Some of the comparative figures have been reclassified to conform to the current year's presentation
